Dear School Board Candidate -

One Great Falls is an organized group of concerned citizens who are closely following the Dranesville and At Large School Board races. We have identified you as a candidate of interest and would like to hear from you on some important questions below. Please respond to these questions no later than August 12th with your complete answers. We will post all answers received on our website - www.onegreatfalls.org - and may follow up on one or more. Once we have received your answers to these questions, we will give you the opportunity to review and sign our Candidate Pledge supporting our community priorities.

1. What is your position on the proposed change to School Board Policy 8130.7 that was presented to the school board on July 22nd, 2019?

5. How do you propose to address Langley High School under-capacity?
6. Is there a way to change the CIP process so that it can be more responsive to increases in school enrollment?
